In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be reduced to the ranks, or placed lower in the list of the rank which he holds.

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be reduced to the ranks, in the case of a Non-Commissioned Officer, or in the case of a Non-Commissioned Officer or Soldier by directing that he be dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid), for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time, when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)

Above $\frac{1}{2}$, and not exceeding 1 ounce,

1 Rupee, (2 Shillings)

Above 1, and not exceeding 2 ounces,

2 Rupees, (4 Shillings)

Above 2, and not exceeding 3 ounces,

3 Rupees, (6 Shillings)

And so on, increasing 1 Rupee, (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

2. The proprietors and masters of the various Institutions intending to profit by the resolution of the 10th October 1844, are invited to attend the examination in order to become acquainted with the nature of the ordeal; but it is to be distinctly understood, that no visitor is to interfere in any way with the examination or hold any communication whatever with the candidates. Those masters who may wish to be present are requested to apply to the Secretary to the Council of Education for a ticket of admission, without which no one will be allowed access to the Hall.

5. The Council have latterly thought it expedient to give notice, to what books or parts of books they intend to confine the literary and historical examinations for the year, in order that the reading of the Students may not be spread over too wide a surface. They regret much that for the present year, it has not been possible to extend the notice beyond the Government Institutions.

They would, therefore, recommend Candidates from other Institutions, to consider whether it may not be prudent for them to postpone appearing for examination until next year, when care shall be taken, to give them notice of the books or parts of books, selected for the examination.

The following are the subjects referred to:—

POETRY.—Milton's Paradise Lost; Shakespeare's Hamlet, Lear, Othello and Macbeth; and Gray's Poems as far as they are contained in Richardson's Selections.

best possible guarantee to the public and the Government of the results being fully, fairly, and impartially reported. The papers will therefore be examined by the following Gentlemen:

Crimes admitting of less serious notice.

ARTICLE 65.

Whereas it may be advisable that some of the offences which by the foregoing Articles are directed to be tried by a General, or District, or Garrison Court Martial, should, in certain cases which admit of less serious notice, be tried by District, or Garrison, or Regimental Courts Martial respectively,—in such cases the Officer Commanding the Regiment or Corps to which the offender belongs shall lay a particular statement of the case before the General or other Officer having authority to convene General, or District, or Garrison Courts Martial, under whose command such offender may be serving, with an application so to proceed; and such General or other Officer will exercise his discretion in complying or not with such application; but the permission of such General or other Officer so to proceed, shall be entered upon the proceedings at the trial of such offender.

Provided that Mutiny shall not be considered one of the offences admitting of such discretionary investigation.

And that in cases where offences designated "Disgraceful Conduct" in these Articles of War, and admitting of less serious notice, shall be permitted to be tried by Regimental Courts Martial, the term Disgraceful Conduct shall be omitted in the Charge.

Offences on the Line of March or on board Vessels.

Provided that such Sentence shall in no case exceed that which a Regimental Court Martial is competent to award;—and that the proceedings held in all such cases shall be specially reported for the information of the Commander in Chief.

SECTION III.

Administration of Justice.

ARTICLE 67.

Whenever any Officer or Soldier shall commit a crime deserving punishment by Court Martial, he shall, by his Commanding Officer, be put under arrest, if an Officer; or if a Soldier, be confined; until he shall be either tried by a Court Martial, or shall be lawfully discharged by a proper authority; and no Officer or Soldier who shall be put in such arrest or confinement shall continue in his confinement longer than may be actually unavoidable.

And such process of arrest or confinement or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 68.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absentsing himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 69.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

ARTICLE 70.

The Commander in Chief at the Presidencies of Fort William, Fort Saint George and Bombay respectively for the time being, may appoint General or other Courts Martial, and confirm and mitigate or remit the Sentences of such Courts; and may issue his Warrant to any General or other Officer having the Command of a Body of Troops in the service of Her Majesty or of the East India Company, empowering such Officer to appoint General or District or Garrison Courts Martial as occasion may require, for the trial of offences committed by any of the Officers or Soldiers or Followers in the service of the said Company, being Natives of the East Indies, or of other places within the limits of the said Company's Charter, and to confirm and mitigate, or remit the Sentences of such Courts Martial.

ARTICLE 71.

The General Court Martial shall not consist of less than *thirteen* Commissioned Officers, unless it be held out of the East India Company's Territories, where such Court Martial may consist of *seven* Commissioned Officers, if a greater number cannot be conveniently assembled. And no sentence of a General Court Martial shall be put in execution until after a report shall have been made of the whole proceedings to the Commander in Chief, or to some other person duly authorized to confirm the same, and until his directions shall have been signified thereupon.

Powers of a General Court Martial.

*ARTICLE 72.

A General Court Martial may sentence any Officer or Soldier to Death or Transportation, for any crimes which are by these Articles of War expressly made liable to sentence of Death or Transportation, and for such crimes only.

And when a Commissioned Officer shall be convicted of any offence, of which the punishment is not defined in these Articles of War, or is left discretionary, a General Court Martial may adjudge such Officer to be dismissed the service;—or to be suspended from rank and pay and allowances, for a stated period;—or to be placed lower on the list of his rank, by an alteration of the date of his Commission, thereby losing the corresponding benefit of length of service; and the Court shall in every such sentence specify the extent or degree

of suspension or reduction, which they shall so adjudge;—or the Court may sentence such Officer to be reprimanded in such manner as the Commander in Chief may direct.

And a General Court Martial may sentence any Non-Commissioned Officer to be reduced to the ranks;—or may sentence any Non-Commissioned Officer or Soldier to be dismissed the service;—or to be placed lower in the list of the rank which he holds;—or may sentence any Soldier to suffer Corporal Punishment not exceeding *Two Hundred Lashes*;—or Imprisonment with or without hard labour not exceeding *two years*;—and to be kept in solitary confinement for any portion or portions of such Imprisonment, not exceeding twenty-eight days at a time, nor eighty-four days in any one year, with intervals between the periods of solitary confinement, of not less duration than such periods of solitary confinement.

And a General Court Martial may, in addition either to Corporal punishment or to Imprisonment as aforesaid, sentence a Soldier to forfeiture of all advantage as to additional Pay and to Pension on discharge, which might have otherwise accrued from the length or nature of his former service; or to forfeiture of such advantage absolutely, whether it might have accrued from past service, or might accrue from future service, according to the nature of the case, for *disgraceful conduct*.

And a General Court Martial may, in addition to the punishment of dismissal, sentence any Officer or Soldier to forfeit his arrears of Pay and Allowances due at the time of his discharge, or such proportion thereof as may be required, to make good any loss or damage arising out of his misconduct;—And in addition to any punishment not involving dismissal from the service, may sentence any Officer or Soldier to be put under stoppages not exceeding two-thirds of his Pay and Allowances in the case of an Officer, and not exceeding half of his Pay and Allowances in the case of a Non-Commissioned Officer or Soldier, until the amount of such loss or damage be made good.

Confirmation and Commutation of Sentence, by the Commander in Chief.

ARTICLE 73.

In cases wherein a Sentence of *Death* shall have been awarded by General Court Martial, for any offence against discipline for which sentence of Death is awardable under these Articles of War, the Commander in Chief may confirm such Sentence and cause it to be carried into effect, or may, instead of causing such Sentence to be carried into effect, order the offender, if an Officer, to be Transported for life, or to be dismissed, and if a Soldier to be Transported for life, or to be Imprisoned with or without Hard Labour either for life, or for a certain term of years, and with or without Solitary Confinement, to be regulated as aforesaid, as to the Commander in Chief may seem meet.

And the Commander in Chief may commute a Sentence of *Corporal Punishment* to Dismissal from the service; or, in the case of a Non-Commissioned Officer may mitigate such Sentence to reduction to the ranks; or in the case of a Non-Commissioned Officer or Soldier may commute such Sentence to Imprisonment without Hard Labour, and with or without Solitary Confinement (to be regulated as aforesaid,) for any period not exceeding *two years*, if the sentence shall exceed *one hundred and fifty lashes*; not exceeding *one year* if it shall exceed *one hundred lashes*; and not exceeding *six months* if it shall be less than *one hundred lashes*;—but the term of such commuted Imprisonment may be for any lesser periods respectively, at the discretion of the Commander in Chief.

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be reduced to the ranks, or placed lower in the list of the rank which he holds.

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid), for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shilling)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

1st. Every Peon will be provided with a Pugree, Kumberbund and Belt, of uniform color, and will carry a bell in his hand.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of

March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{4}$ an ounce, 8 Annas, ... (1 Shillings)

Above $\frac{1}{4}$, and not exceeding 1 ounce,

1 Rupee, (2 Shillings)

Above 1, and not exceeding 2 ounces,

2 Rupees, (4 Shillings)

Above 2, and not exceeding 3 ounces,

3 Rupees, (6 Shillings)

And so on, increasing 1 Rupee, (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as hitherto, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

No. 817 E.
NOTIFICATION BY THE HONORABLE
THE LIEUTENANT GOVERNOR OF
THE NORTH WESTERN PROVINCES.
GENERAL DEPARTMENT,

AGRA, THE 27TH SEPTEMBER, 1845.

The Hon'ble the Lieutenant Governor directs the publication of the following Orders, which have been issued in continuation of the Notification dated the 19th June last, on the subject of Indigenous Village Schools.

1. Circular to Collectors.
2. Directions to Tehsildars.

By order of the Hon'ble the Lieutenant Governor North Western Provinces,

J. THORNTON,
Secy. to Govt. N. W. P.

CIRCULAR.

TO THE COLLECTOR OF

1. Sir,—With reference to para. 12 of the printed Circular of 9th June last, I am desired to forward to you 6 copies of the Oordoo Series of Books for the Indigenous Schools.

2. The series consists of the following works, the prices of which are attached. Lithographed copies of letters, words, &c. and Arithmetical tables—1 pice each, or 2 annas the set of 12, or 1 Rupee a hundred.

No. I. Letters, words, and forms, such as are commonly taught in Village Schools, and are of frequent use in village transactions, pp. 17, 1 anna.

No. II. The elements of Arithmetic, according to the Native method, pp. 38, 3 annas.

No. III. Mensuration, according to the Native method in these Provinces, pp. 22, 3 annas.

No. IV. The forms of Putwarrie's Papers, with explanations of the object of each, and the mode of preparing them, pp. 52, 4 annas.

3. A similar series in Hindi is now in the Press, and will be hereafter circulated in the same manner as this series.

4. These books have been prepared by Rai Ram Surrun Dass, the Deputy Collector of Dehlie, under the direction of the Government. You will observe that they are strictly elementary. The

two first books give, in the way familiar to Natives, the instruction now conveyed orally, or by writing in Native Schools. But the present instruction wants uniformity and accuracy, which it is hoped these books will supply. The third and fourth books embrace subjects not at present ordinarily taught in Native Schools, but they address themselves to the wants of the agricultural classes and are designed to afford an object and practical direction, to the school teaching. Abundant proof is daily furnished of the great want that exists even of this elementary instruction.

5. Out of 1359 villages in Agra there are schools only in 72. Out of a population of 645,070 only 2,831 are under tuition.

6. In Goruckpore, containing 1,714 villages, there are only 322 schools: and out of a population of 2,386,831 only 3,092 are said to be under tuition. There is every reason to believe that in other parts of the country the means of instruction are equally scanty.

7. Assuming boys from the commencement of their 5th to the end of their 14th year to be of an age best adapted for receiving instruction, it is calculated that, in the Lower Provinces, the percentage of such boys now receiving instruction varies from 32 in Bengal to a little more than 5 in Behar. In Bombay it appears to vary from 7 to 13. In Agra, one of the most favored districts in these Provinces, it is only 5½.

8. The ignorance is therefore great and universal, and the necessity for its removal, general and pressing. The voluntary efforts of the people are the only means which can be looked to for the remedy. The Government is most likely to succeed by endeavouring to arouse them to a sense of their wants, and by offering them encouragement and assistance in supplying these wants.

9. You will receive with this letter, packets of the series for each of your Tehsildars, with further instructions for their guidance. You will lose no time in distributing these packets, and in adding the weight of your own personal influence to the exhortations of the Government in furtherance of the plan.

10. It is not desirable that pecuniary inducements be held out to the people by the Government for the formation of Schools. No funds now at the disposal of the Government would admit of general disbursements of this nature; and it is otherwise most desirable that the people should be led to acquire the knowledge, for its evident value to themselves rather than for any immediate pecuniary reward it may bring them. If rewards are given they should be given to the masters and not to the pupils. At the same time, if any public officers or other residents in the district are peculiarly active and successful in the establishment of Schools, you will be ready yourself to commend and reward them in any suitable way; and you will not fail to bring to the notice of the Government those whom you think deserving of marked encouragement.

11. It is better that the books, which may be wanted over and above those which are now furnished to you gratuitously, should be purchased rather than given away. They will be more valued, and better cared for. If, however, you are desirous of affording some direct help towards the establishment of schools, a grant of books will be made you, and you will be at liberty either to give them away, where you think they will be prized, or you may sell them and devote the proceeds to the rewarding of deserving masters, or

building of school houses, of similar objects. The curator of School Books at Agra will always supply you with copies of the books for sale. You will use your constant endeavour to promote the sale, and to procure books for those who are desirous to purchase them.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) J. THORNTON,

Secy. to Govt. N. W. P.

GENERAL DEPARTMENT, }
Agra, the 27th September, 1845. }

DIRECTIONS TO TEHSILDARS.

1. With reference to para. 4 of the former Directions of 9th June last, three copies of the following series of School Books, in Oudeo, are now forwarded to you.

Copies and Tables, price each 1 pice or 2 annas the set of 12 or 1 rupee the 100.

No. I. Letters and words, price per copy, Anna 1
No. II. Arithmetic, 3
No. III. Mensuration, 3
No. IV. Putwarries' Papers, 4

2. You are requested to make these books generally known within the limits of your Tehsildary, by showing them to all who may come to you, by lending them out, and by permitting persons to copy them.

3. You will assist persons who may wish to purchase such books, by forwarding their application to the Collector and making yourself the medium for supplying the want.

4. You will explain to all Zemindars and Putwarries, who may resort to your Cutcherry, as well as to all wealthy and influential persons within your jurisdiction, the importance of acquiring themselves a knowledge of the contents of these books and of teaching them to their children. You will encourage them to establish Schools amongst themselves, and will help them to find good teachers if they desire it. When you visit the different villages in your district, you will make enquiry about the Schools, ascertain the capacity of the School-master, and give him such advice or encouragement as you may find necessary.

5. You will direct the Pergunnah Canoongoes to give you their aid in this work.

6. You will understand that you are on no account to use any force or compulsion in your attempts, either to multiply Schools or otherwise to instruct the people. The Government are most desirous that the effort should be made by the people themselves, from a sense of its importance for securing advantage to themselves. Explanation and persuasion are the means you must employ, and there can be little doubt, that these judiciously and conscientiously brought into use will in due time awaken the people to a proper sense of their true interest.

7. A similar series of Elementary Books in Hindi is now in the Press, and will shortly be forwarded to you, in the same manner as the present packet.

RESOLUTION.

AGRA,

JUDICIAL DEPARTMENT,

THE 13TH OCTOBER, 1845.

The Lieutenant Governor is pleased to resolve, that all Deputy Collectors under Regulation IX. 1833, now employed in the North Western Provinces, shall be considered vested with the powers of Deputy Magistrates under Act XV. 1843, and as such shall be competent to exercise the ordinary powers of Covenanted Assistants, as described in Section XX. Regulation IX. of 1807. Special application must be made to Government, if it be considered desirable to invest any such Deputy Magistrates with Special powers under Regulation III. 1821, or with the full powers of a Magistrate, as authorized by Section III. Act XV. 1843. Those Deputy Collectors who have been already vested with powers greater than those of ordinary Covenanted Assistants, will retain them to the extent to which they have been conferred in each case.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,...	(1 Shilling)
Above $\frac{1}{2}$, and not exceeding 1 ounce,	
1 Rupee,	(2 Shillings)
Above 1, and not exceeding 2 ounces,	
2 Rupees,	(4 Shillings)
Above 2, and not exceeding 3 ounces,	
3 Rupees,	(6 Shillings)
And so on, increasing 1 Rupee,.....	(2 Shillings)
for every additional ounce, or fraction of the ounce.	

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted by the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

**"BRITISH POSTAGE PRE-PAID,
"Via Southampton."**

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

Deputy Post Master.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)

Above $\frac{1}{2}$, and not exceeding 1 ounce,

1 Rupee, (2 Shillings)

Above 1, and not exceeding 2 ounces,

2 Rupees, (4 Shillings)

Above 2, and not exceeding 3 ounces,

3 Rupees, (6 Shillings)

And so on, increasing 1 Rupee, (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bantinck and Hindostan.

WM. MOORE,

Deputy Post Master.

NOTICE TO THE RESIDENTS OF
ARRACAN AND MOULMEIN.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. Parties forwarding packages in the Steamers, should be careful therefore, to advise their Friends or Agents here, to send for such packages directly the Steamer on which they are forwarded to Calcutta, arrives; and Passengers should not neglect to land their baggage without delay or it will also be sent to the Custom House or otherwise disposed of.
